"We have been coming to Verbier for many years, the chalet team make us feel like we're coming home. Thank you and see you next year!"

Mrs S.C , Rosalp 3

Large picture windows give beautiful views to the alpine garden which can also be admired from the sunny and spacious south-facing terrace. All three bedrooms benefit from their own en suite bath or shower rooms. The Master room is particularly impressive, with plenty of built-in wardrobe space, luxurious furnishings and a spacious en suite. The two remaining bedrooms are accessed from the living area, one of which is a very comfortable super-king / twin room, and the other a bespoke quad bunk room which can sleep up to four children.
