Previously a private home, Chalet Teredo is an impressive luxury chalet based in the Savoleyres area, offering a unique style with authentic and thoughtful touches throughout. One of the many wow factors is the fabulous indoor swimming pool and spa, unlike any we have seen before, with floor to ceiling windows opening to an expansive terrace complete with sunken hot tub. We are very proud to welcome Chalet Teredo to our portfolio for season 23/24.

Guests will be struck by the eclectic art pieces throughout the chalet, giving colour, interest and a story at every turn. The sumptuous master bedroom on it's own floor at the top of the property has a private balcony with commanding views, marble clad bathroom plus an indulgent and luxurious style for the perfect nights rest.

Entering the chalet on the main living floor, guests are greeted by a sweeping stone staircase, open fireplace and the welcoming entrance hall which leads through to the beautiful light-filled living room. Huge picture windows welcome the outside in, gifting a sublime vista of Verbier and beyond; the perfect place for families or groups of friends to gather in the evenings to regale the days events on the mountain.

Moving down through the chalet, four beautiful individual bedrooms are found, each with gorgeous views and individual style, some also with direct access to a terrace or balcony. On the very ground floor is the “pièce de resistance” – the stunning indoor swimming pool in a minimalistic modern style, spacious relaxation zone and spa with beautifully designed hammam. Additionally, guests will find a cosy cinema room, wine cellar and even a self-playing piano.
