CHALET VALENTINE

MÉRIBEL | Sleeps 12+2 spa

AN EXQUISITE FAMILY CHALET ideally positioned in the heart of the Trois Vallées. Boasting seven bedrooms, an incredible private spa and every luxury you could wish for, Chalet Valentine is a stunning alpine residence in the exclusive Belvédère area of Méribel.

DESCRIPTION

Sleeping 12+2 people in seven bedrooms, this spacious chalet offers high-end design and beautiful furnishings combined with an authentic alpine finish.

You enter the chalet on the ground floor where you will find the spacious ski room and garage. There is a lift running through the property (excluding the top floor). The first floor is home to the incredible private spa and wellness area and there is no doubt that you will feel calm and relaxed following your stay in Chalet Valentine. The spa has a wonderful hammam and, after skiing, your host can arrange a professional massage in the peace and privacy of your own treatment room.

Moving outside onto the terraces, there is an outdoor hot tub and a barrel sauna. Also on this floor is the cinema room which has Apple TV, a DVD library, as well as French, Russian and UK satellite TV. There is a games room with table football. The chalet is fully wired with an integrated audio system in all the communal areas.

There are two twin/double bedrooms, one with an en-suite bathroom and one with an en-suite bath and a separate shower room. Both bedrooms have access to the spacious terrace with private hot tub. Also on this floor is the staff apartment where two members of staff are in residence.

Moving upstairs to the second floor, you will find the main living and dining areas. The large open-plan living area has floor-to-ceiling windows that look out onto breathtaking views of the majestic mountains in the distance.

Outside, on the spacious terrace, there is a fire pit, perfect for enjoying toasted marshmallows and mugs of hot chocolate after skiing. In the warmer spring months, watch the sunset in the early evening with a glass of champagne.

The kitchen is next to the dining area and is closed off to ensure maximum privacy for the guests. There is also a double bedroom with an en-suite shower room on this floor.

The third floor has a wonderful family suite with one twin/double bedroom and one bunk bedroom suitable for children only, which both share an en-suite bathroom. This is also where the master bedroom is, with en-suite bathroom, private balcony and TV. An open plan mezzanine with library looks over the main living floor. The top floor is home to one twin/double bedroom with en-suite bathroom and balcony.

This beautiful seven-bedroom Méribel chalet is located only 100m from the piste, with the Le Rhodos lift station only a short ski away.

There is one outdoor parking space with the property. An indoor space may be available, subject to prior approval and with enough advance notice. There is also a staff bedroom which houses staff on the first floor of the chalet.
